**Made pursuant to the Statutory Declarations Act 1911 (Imperial) 1 & 2 Geo. 5. c. 6**

Whereas I, the Subscriber hereto, being the Declarant, of sound mind and of mature age, do solemnly and sincerely declare as follows:

This Declaration serves solely to record and express my Natural-Born Allegiance, for lawful recognition and protection under The Crown in Right of the British Commonwealth and of The Commonwealth of Australia, and for my eligibility to be entered and recorded upon the Commonwealth Electoral Roll as a National of the Original Commonwealth; and

This Declaration records standing arising by nativity and allegiance and does not create, confer, or presume any civil, political, or corporate status whatsoever; and

1. I, being a living soul born upon the soil of a dominion or realm under The British Crown, do hereby affirm and declare that, by nativity, I hold a Natural-Born Allegiance to The Crown, being the singular and continuous Crown in Right of the British Commonwealth and of The Commonwealth of Australia; and
2. I further declare that I am subject first to Divine and Natural Law, and thereafter only to English Common Law, Imperial law, and equity, and to the lawful jurisdiction of The Commonwealth of Australia under The Commonwealth of Australia Constitution Act 1900 (Imperial), and I hereby expressly acknowledge and record my Natural-Born Allegiance for all lawful purposes; and
3. That by Natural Right, and by virtue of my nativity and natural domicile, I possess lawful standing as a subject of The British Commonwealth and, being domiciled within The Commonwealth of Australia, standing also under The Crown in Right thereof; and therefore, stand as a National and British Subject, with all rights and privileges appertaining thereto; and
4. That I do hereby refute, deny, and condemn any inference, presumption, assumption, or entrapment that I am, or have ever been, whether expressly or by implication, an informed and considered voluntary participant, citizen, ward, or surety of any corporate political society styled or referred to as a 'United Nations Member State,' including the corporate entity known as 'AUSTRALIA,' without prejudice to the generality of the foregoing; and
5. That henceforth I revoke and annul any affirmation, oath, contract, pledge, vow, or presumed allegiance — whether entered into knowingly or unknowingly — and particularly any such supposed contracts lacking full disclosure, lawful consideration, or a meeting of the minds, save only my duty to God and the Allegiance lawfully owed and affirmed herein; and
6. This Declaration is made in peace, in good faith, and in honour, in accordance with The Laws of the English Imperial Realm.

This Declaration does not confer eligibility to hold Commonwealth Public Office, which requires the Constitutional Oath or Affirmation of Allegiance as prescribed in the Schedule to The Commonwealth of Australia Constitution Act 1900 (Imperial); and

## **Declaration and Reservation of Rights**

I hereby declare and give notice that, by virtue of my lawful standing and Allegiance affirmed herein, I retain, reserve, and enjoy all natural, civil, constitutional, and common-law rights, liberties, protections, capacities, and immunities appertaining to me as a living man or woman under The Crown.

Without limiting the generality of the foregoing, such rights include the right to life, liberty, property, lawful protection, due process, freedom of conscience, freedom of movement, and the peaceful use and enjoyment of my estate, labour, and affairs, according to law.

I affirm that these rights arise by nativity, domicile, and allegiance, are not granted by statute or administrative act, and are exercised in peace, good faith, and honour, subject only to Divine Law, Natural Law, and the lawful Constitution and laws of The Commonwealth.

Nothing in this Declaration shall be construed as a claim to authority over others, nor as an assertion of any right exercised contrary to law, but only as a declaration and reservation of rights lawfully appertaining to me and placed upon the Public Record.

## **Attestation for the Public Record**

And I make this solemn Declaration and Affirmation of Allegiance conscientiously believing the same to be true, and by virtue of the Statutory Declarations Act 1911 (Imperial); and in witness of my living standing, I here set my autograph as a living soul in red ink, signifying life, with my thumbprint affixed thereon, and I affirm that the living likeness affixed hereto is a true and faithful representation of my physical form.
